BUSUnited mission

- 1. Initiate and establish Communities of Practice**
- 2. Create synergies at EU level**
- 3. Create synergies at National level**
- 4. Develop effective communication actions**
- 5. Sustain and enable growth of the BUSUnited-CoP's**

BUSUnited

CoP-corn

CoP 1: Sectoral skills needs	Facilitator: UKIM Co-facilitator: CRT
Mission statement: Clear insight into transition enabled timely and targeted upskilling	
CoP participants: TUS, UKIM, CRT, GBC Italia, iiSBE, ACE, JER and 56 from LoS.	
Challenge 1: Create Transition Outlook	Challenge lead: ISSO
Challenge 2: Determine Skill gap	Challenge lead: iiSBE
Challenge 3: Exploitation of methods	Challenge lead: UKIM

<h2>CoP 2: Demand Side Mechanisms</h2>	<p>Facilitator: IVE Co-Facilitator: GBC Italia</p>
<p>Mission statement: Create and implement effective demand-side strategies to accelerate the adoption of sustainable energy skills in the construction sector.</p>	
<p>CoP participants: IVE, TUS, iiSBE , EnEffect, ACE, UKIM, Geonardo and 39 from LoS.</p>	
<p>Challenge 1: Integration of skills requirements in GPP policies</p>	<p>Challenge lead: GBC Italia</p>
<p>Challenge 2 Collaboration with OSS</p>	<p>Challenge lead: EnEffect</p>
<p>Challenge 3: Unlock the benefits of BIM</p>	<p>Challenge lead: TUS</p>
<p>Challenge 4: Promote digital construction tackling the demand</p>	<p>Challenge lead: Geonardo</p>
<p>Challenge 5: Leverage the power of the building end users to increase demand</p>	<p>Challenge lead: UKIM</p>

CoP 3: Innovative teaching methods	Facilitator: EnEffect Co-Facilitator: Geonardo
<p>Mission statement: To establish a solid framework for reaching and training as many stakeholders along the construction value-chain by collecting and employing creative and new approaches to knowledge transfer on sustainable construction solutions.</p>	
<p>CoP participants: EnEffect, CRT, TUS, UKIM, GBC Italia, iiSBE, FLC, JER and 56 from LoS.</p>	
Challenge 1: Handbook (toolbox) on innovative training	Challenge lead: EnEffect
Challenge 2: Increasing innovative teaching capacity [TtT]	Challenge lead: EnEffect
Challenge 3: Increasing capacity of construction workforce in an innovative manner	Challenge lead: FLC
Challenge 4: Validation and evaluation	Challenge lead: UKIM

CoP 4: Skills recognition	Facilitator: CRT Co-Facilitator: iiSBE
Mission statement: Targeting common EU approach in skills recognition	
CoP participants: CRT, UKIM, TUS, JER, GBC Italia and 50 from LoS.	
Challenge 1: Overview of different existing frameworks for skills recognition	Challenge lead: UKIM
Challenge 2: Setting the quality mechanisms for recognition framework	Challenge lead: CRT
Challenge 3: Tools for skills recognition	Challenge lead: UKIM

<h2>CoP 5: National skills roll-out</h2>	<p>Facilitator: TUS Co-Facilitator: UKIM</p>
<p>Mission statement: Accelerating the roll out of the national roadmap actions to meet 2030 skills requirements</p>	
<p>COP participants: All countries with an updated roadmap will be invited and 43 organisations have expressed interest in LoS.</p>	
<p>Challenge 1: Create a common landscape of the developed national roadmaps</p>	<p>Challenge lead: TUS</p>
<p>Challenge 2: Mobilising the key actors for implementation of the roadmaps</p>	<p>Challenge lead: EnEffect</p>
<p>Challenge 3: Extrapolation method for projecting national Roadmaps</p>	<p>Challenge lead: UKIM</p>

CoP 6: Funding sources	Facilitator: IVE Co-Facilitator: UKIM
Mission statement: To create a user-friendly platform consolidating training funding to boost upskilling in the construction sector.	
COP participants: All countries with a roadmap (old or new) will be invited (15 countries in total). Already 44 organisations boarded from LoS.	
Challenge 1: Mapping and Analysis of National Training Funding Landscapes	Challenge lead: IVE
Challenge 2: OSS for funding of Upskilling	Challenge lead: UKIM
Challenge 3: Funding opportunities for upskilling through Interreg Programs	Challenge lead: iiSBE

CoP 7: EU synergies	Facilitator: FLC Co-facilitator: ACE
Mission statement: Synergetic interaction and cooperation give rise to a whole that is greater than the simple sum of the results achieved by the single parties	
CoP participants: All consortium partners, EU umbrella organisations and 55 who have expressed interest in LoS.	
Challenge 1: Growing the EU-network of key players	Challenge lead: FLC
Challenge 2: Fostering pan-European collaboration and dialogue	Challenge lead: ACE
Challenge 3: Taking up the strategic role in developing national and European strategies	Challenge lead: FLC
